

## Perry Rotary Club – Nancy’s Notes for Feb. 1, 2007

David Phillips was our guest today. Also, it was good to see Anne Humphrey once again. Other guests were our speakers today: Patty Jarnot, Branch Director; Erik Fix, Sr. Program Director and Wess Audsley, CEO of the Genesee Wyoming YMCA.

P Fred had open seats all around him today. Was it something he said?! LOL LOL.

A card was sent around for Harold Parker who is continuing to recover from knee surgery. Keep Judy McClurg in your thoughts. She fell and shattered her knee.

Announcements:

- The early May Turning Stone District Conference notices were passed out. Register by Feb. 14 to be in a \$250 conference credit drawing. See Sharon.
- Dan White was pleased to announce that the capital project for the school was passed with a 3:1 vote. He thanked the many Rotarians who supported it.

Fines:

- Alison Berwanger’s Keuka College’s Athlete of the week. Proud Denis gave \$5.
- Ann Humphrey kicked in \$50 for new grandson, Nathan Humphrey Bongard. When asked why not Nelson, she replied, “One Nelson in the family is enough.” Her travels resulted in gifts for P Fred, too.
- I can’t figure out why Betty Emerling doesn’t get confused—Cancun this week, Florida, another week Puerto something or other. She just can’t travel enough. It’s a wonder any of us can remember where she’s been. P Fred, at least received a skullcap. Check it out. Since Betty is a Perry Centerite, Lorraine, a crow’s fly neighbor (she can see the farm from back yard), coughed up \$5.
- Sally Bliss was \$10 proud of grand-dtr. Mariah in the top 3 of Rotary’s singing contest.
- Poor John, poor, poor John. If his children weren’t so talented, his pockets would be lined with golden dollars. Meghan did it again—17 pts. out of 30 at the big game against Avon.
- Rev. Gary had greeeeeeeat news. He spent time with his grandson on his first birthday. The great thing was that the child’s dad was home from Iraq and could enjoy it too! No fine for the Rev.

Program: Y Board member (along with Anne H) & PP Jeff Fitch introduced the Y directors who discussed programs, facilities & coming changes. The Y has a vested interest in the communities it serves. It takes over Perry’s summer recreation program year so kids will spend time at Camp Hough & Silver Lake! The Y wants to make Silver Lake an integral part of life’s experience. It starts with good, working relationships, which it has with the school, through Dan White and the village, through Terry Murphy. A slide presentation showed plans to upgrade Camp Hough so it can offer more programs and amenities to a wider group of people.

Birthdays: Feb. 12 PP Hans; Feb. 18, Bob Briggs; Feb. 26 PP Roger; Feb. 27 Rod Eaton.
