Rotary Club News from March 8, 2007 – Heralding Rotary

Today's guests: **Bonnie Matson** with **PP Woody** and welcome back to **Jason Beachel**. It's been so long he seems like a guest! Welcome back **PP Harold Parker ('66-'67)**, recuperating nicely from knee surgery. Happy B-Day **Don O**.

Pres. Fred announced receiving a motorcycle hat from Kathy Miller who couldn't stay for last week's meeting. Can you say Wild Hogs, here comes Fred?

News from Pres.-Elect Donna Francis: Sat., March 31 is Dist. Assembly, 8-1pm. From **PDG Eric Parker**, send your ads in for the Dist. Yellow Pages.

Fine Times: **PP Sam Gullo's ('00-'01)** alma mater Niagara UI made it to the NCAA tourney. When pressed to pony up with pride, **PP Sam** said why not wait till NU wins a game. **PP Marshall Deeney's ('92-'93)** advice: Better get it now, Fred. He did, \$10. **Back to Beachel**. He's been training in Houston. Even a mug and T-shirt didn't lower his \$10. **PP Roger Paddock ('87-'88)** was covered for his pride-fines for grapplin' grandsons NYS champs Ian and Paul. A town parade heralded their return to Warsaw and plenty of pics in the papers. We'll be cheering them at nationals in VA. That was the good new. There was bad news, too. When **PP Roger** filled his tank for the trip to the States, he only got as far as Perry Center. Why'd the car die? Water in the gas! Repairs were made but then it wouldn't steer—until they removed the ground up kitty from under the hood. Yuk! No wonder **Bob Scott** and **P Fred** split that \$10 fine. That was **PP Don Hughes ('73-'74)** on TV, \$20 came from the star. And **P Fred** hit the buttonless bunch again, \$1 each.

Program: Thanks, **PP Hans**, for today's interesting talk by historian **Bob Kelly** on the good guys and crooks whose land-speculations led to the town boundaries we have today.

Birthdays: 3/6-Ralph Field. 3/19-Gary Wood.
